Budget Estimates of the
Municipalities in the Kadur
District for the Year 1878-79

2. The aggregate Receipts
for the current year
in all the Municipalities
of this District are
Estimated at Rs 17,103,
which together with the
probable cash balance
on 31st March 1878 of Rs 11075
amounts to Rs 28,178.
Of this amount, a
Sum of Rs 24298 is
proposed to be Expended,
leaving a cash balance
of Rs 3880 to be carried

ner to the credit of
the next year, as
shewn under:--

| Municipalities | Estimated Income for 1878-79 | Opening Cash balance as [illegible] 1878 | Total Gross Income | Estimated Expenditure | Balance carried over to next year's credit |
|---|---|---|---|---|---|
| | 2 | 3 | 4 | 5 | 6 |
| Cheekmagalur | 11455 | 7245 | 18,700 | 17092 | 160 |
| Kadur | 646 | 90 | 730 | 728 | 8 |

| Banavar | 472 | 90 | 562 | 532 | 30 |
| Yedahally | 685 | 250 | 935 | 920 | 15 |
| Total | 17,103 | 11,075 | 28,178 | 24298 | 3882 |

3. The total opening cash balances, as estimated by the Dy Commr in para 1 of his memo now Submitted, amounts to ₹ 11,482-10-6 or ₹ 407-10-6 more than that shewn in Column 5 of the above Statement which is based on the figures put down in the Budget Estimates. This discrepancy requires explanation.

4. The income from Receipts. Arrears
Arrears under the
"Amount"

Amani System or the System of Collection by Departmental agency which is to be introduced throughout the district as per Ch. Comm^r Bro. no. 2627/227 dy 26th October last, is expected to be more than that of last year, the increase in the towns of Chickmagalur & Yedahally alone being Rs 610 and Rs 120 respectively. The octroi income at Yedahally consists of the following items:-

(1) Articles of food &c.
(2) Drugs, Gums, &c
(3) Tobacco.
(4) Cloth.

5. Under the first of the foregoing items no Estimate is entered for the current year, although the Actuals of 1876-77 amounted to Rs 166-2-2 and there

of the first 6 months of 1877-78 ~~6~~ Rs 216-5-8. Under the items 2 & 3, Estimates are only put down without the actuals. At this point, an Explanation may be called for.

6 The receipts from "School fees" in the Chingleput Municipality are Estimated at ~~Rs~~ 500 against ~~Rs~~ 600 in the past year. This Estimate is low, when compared with the actuals of 1876-77 and of the 1st 6 months of 1877-78, which amounted to ~~Rs~~ 1209-12-0 and ~~Rs~~ 1036-15-9 respectively, and may therefore be raised to ~~Rs~~ 900.

7. The other items of Receipts in all the other Municipalities call for no Special remarks as they are

more or less based on the actuals of 1876-77 and of the first 6 months of 1877-78.

Expenditure. Collection.

8. The Estimated Expenditure under "Collection" remains the same as ~~that~~ that of last year in all the Municipalities, except Hadur and Banavar where a decrease is observed owing to the Salaries of the Moottaddies employed in them having been reduced from Rs 8½ and 7½ to Rs 6½ per mensem respectively. This may be sanctioned. The Commr states that the cost of "additional Establishment" which should be employed for the collection of "Abkari" by Govt. agency has not been provided for, and that the

Dy Comm^r has promised
to submit a Supplemental
Budget for it, on
receipt of the requisite
data from the Auditors
who have been addressed
in the subject.

This may be
Circulated

9. The charges under
"Head Office" shew an
increase of Rs 48 over the
estimate of last year,
which is due to the
provision made on
account of the Contribution
payable by the Chicka-
nagalur Municipality
towards the Establishment
& Contingent charges of the
Huzur Office, as per
Ch. Comm^r's Govt: no: 2774
M. 241
dt 10th November last.
This may be passed.

| Total Rs | 5844 | 6156 | +312 | |

13 It will be seen

from the above, that the increase of £ 312 is due to the provision made on account of the gratuity recommended by the Mel Board of Vicekmagalem to Clerk Meenisawmy Pillay in the Madura Commr Office which is debited to all the Municipalities except Pedahalli; and to certain alterations made in the details of the "Conservancy Establishment itself. These alterations may be sanctioned as they involve an extra charge of only £ 72 for all the Municipalities.

4. These correspondence on the subject of granting gratuity to Meenisawmy Pillay was submitted on the 20th inst. to the Secretary for orders with Letter from the Dy. Accts Gl: Dept. 853 dated 15th May 1878.

The Commr observes that the item provision for gratuity

Protestants should have been brought under "Head Office" or "Miscellaneous". My change was the form under Miscellaneous

Lighting Chickmagalur. 15. The provision under this head is Rs 757 against Rs 782 in the past year. in the town of Chickmagalur. It is explained that the sum is required for lighting 28 lamps & that the decrease is owing to no more lamp posts being required to be purchased during the year. This may be sanctioned.

Extraordinary Chickmagalur. 16. The expenditure provided for under "Extraordinary amounts to Rs 360 or Rs 5 more than that of 1877-78 and is, it is said intended to cover the cost of upkeep of the young plants in the belt of trees at Chickmagalur. This may be passed.

"Miscellaneous: Chickmagalur 17. The charges entered under this head for Chickmagalur Municipality show an increase of Rs 5

over the Estimate of the past year, which is explained to be due to the amount provided for rearing plants in that farm, and may be allowed.

21. The Dy Commissioner states that the Construction of Bonded Warehouses is not urged by any of the Municipal Amils, who suggest that any of the existing public buildings available, such as are noted in the marg would serve the purpose for the present. The Dy Comm[r] thinks that, as new buildings would cost large sums of money which the present revenue of the Municipalities in general does not admit, the suggestions of the Amildars may, for the present, be approved.

magalur had urged that, if Sanction were not accorded to the entertainment of the two peons provided for in the Supplemental Budget, there would be considerable loss in the Octroi Revenue. In this view the Dy Commr agreed, and stated that the Amildar of Savanur had pointed out that the octroi collections of that town for the months of April, May, June & July last by the Sayer Officials amounted only to Rs 137-10-2 against Rs 216-10-8 for the corresponding months in 1877-78, during which time, the collections were in the hands of Contractors who took care to prevent the evasion of the duty.

The Assistant recommended the appointment of 1 Mestry at Rs 7 and 3 peons at Rs 4 each, but the Dy Comm[r] considered that 1 Kolkar provided for in the Supplemental Budget was sufficient.

35 The President of the Hadar and Berar Municipalities also urged the need felt for the additional hands provided in the Budget. The Dy Comm[r], therefore, solicited the Ch: Comm[r]s favorably sanction to the Supplemental Budget.

36. The Commissioner now Reports that under the foregoing circumstances ~~recommended~~ by the Dy. Comm[r], has been, in anticipation of the Chief Comm[r]s sanction permitted to entertain two peons at Rs 6 &c.

Forwarding Budget Estimates with appendices of the Kadoor Dt for 1878 /1

Memorandum on the Municipal Budget Estimates of the Kaira District for the Year 1878-79 –

General remarks – The total income for 1878-79 of all the Municipalities of this District is estimated at Rs 17,103 & the probable balance on the 31st of March 1878. at Rs 11,075 thus giving a probable gross income of Rs 28,178. The total estimated expenditure is Rs 24,250 & the probable balance on the 31st of March 1879 Rs 3,928. The estimated income exceeds the sanctioned estimate for last year by Rs 141 and the estimated expenditure by Rs 5,915.

Receipts – The income from octroi, under the "Amani" system, which is going to be introduced throughout the District, in accordance with the Chief Cand.'s Scrop No $\frac{2627}{227}$ dated the 26th October 1877, is expected to be more than that of last year, the increase in the towns of Chikhali and

and Yedehalli alone being Rs 610 & Rs 280 respectively - The figures under "Arbitrary" in Chickmagalur & Municipal House Tax, in Chickmagalur Kadur & Yedehalli, though below last year's Estimate, are consistent with the "actuals" for 1876-77. The Revenue expected from "Pounds" in all the Municipalities except Chickmagalur and Banavar, also, exceeds last year's Estimate.

The increase of Expenditure Expenditure is chiefly owing to the following important works proposed to be carried out -

1. Construction of new market stalls at Chickmagalur - Rs 3,000
2. - Do of V Drains at Basavanhalli Rs 500
3. - Do - Do - in the Fort - Chickmagalur Rs 1,500
4. - Do - of Karanje water pipes - Do - Rs 293
5. Digging & fencing round an area to be used as a Bandy stand at Tarikerre. Rs 450

Constructing

at—Do — — — — — Rs 352

7 Opening a Road at Yedehalli — — — 2 Rs 200

4 The total proposed outlay on Public Works is Rs 10,654 which is Rs 5,612 more than last year's Estimate. There is also an increase of Rs 312 under "Conservancy" this is mainly due to a provision of Rs 240 having been made on account of gratuity intended to be given to the late Municipal Clerk, Kadur on Canara's office; his application for gratuity has been sent up to the Secretary for Sanction.

This item should have been brought under either "Head office" or Miscellaneous. A provision of Rs 48 to meet the contingent charges of the Chief Canara's Duftar is also included in this office under "Head office charges" Chickmagalur Town, in accordance with the Chief Canara's instructions laid down in his Proceedings No 2774/24 dated the 10th Novr 1877.

the cost of additional establishment which should be employed for the collection of Octroi by Govt agency has not been provided for. The Deputy Comm^r has promised to submit a supplemental Budget for it on receipt of the requisite data from the Cumildars who have been addressed on the subject. The remaining items of Expenditure call for no special remark. The Deputy Comm^r's memo on the Budget Estimates is enclosed.

The total Expenditure for the year exceeds the current income for the year in all the towns as shown below—

| Towns | Income | Expenditure |
|---|---|---|
| Chalkmagalur | 11,455 | 17,092 |
| Darrikere | 2,242 | 2,752 |
| Birur | 1,603 | 2,274 |
| Kadur | 646 | 728 |
| Banavar | 472 | 532 |
| Yedehully | 685 | 920 |

This is unavoidable in the case of the Banavar & Kadur towns, where the expenditure does not include any extraordinary charges

is not in excess of what was sanctioned for 1877-78, the discrepancy observable being only due to the income having decreased - In other towns however they are due to numerous public works proposed; the amount for them is given below, and it is a question whether some of them may deferred in order to bring the current expenditure within the limits of income -

of the last year by Rs 141-4-4, which may be attributed to the amount derivable from Octroi during the year under report being greater than that of the previous one.

3. The increase apparent under the expenditure is owing to a part of the balance of last year being proposed to be expended chiefly on account of Public Works.

5. The decrease by Rs 36 in the expenditure under this head, when compared to that of the year previous, is due to the Salaries of the Mutaddies at Ramanad and Kadur, being reduced from Rs 8½ and 7½ to Rs 6½ each per mensem respectively, the receipts at the places being small.

6. The Establishment under this head is the same as that maintained last year.

7. It will be observed, that the sum entered under this head is greater than that of the year previous by Rs 5696, which, as will be seen from the accompanying Budget Statements, is chiefly owing to the number of works, both Original and Repairs, proposed to be carried out during the year, being more, and of a more costly nature than those of the past year.

9 The amount assigned for this purpose viz for defraying the expenses of the Establishment of Sweepers &c on all the Municipalities ——

10. The increase of expenditure of Rs 312 can be traced particularly to the following items, (1) Gratuity to the District office late Municipal Clerk & Unnecessary Tillay, of Rs 240, which is proposed to be charged to all the Municipalities except Uppidalli, in the same proportion, as his pay is debited, in accordance with the Proceedings of the Municipal Board No 73 Dated 28th February 1878 (Vide Commrs Docket No 639 D/25/11/1877.), (2) The entertainment of 4 more Sotes @ Rs 8 each and the reducing the No of Sweepers from 15 to 11 in the Municipality of Shimoga (Vide the Board's Proceedings above quoted.

11 The Sum provided for
Coal & for lighting 28

this head exceeds that of the last year only by Rs 5, and is included wholly for the support of the young plants in the belt of trees at Chitrunjadur.

XII Miscellaneous.

13. The sum shown under this head is for meeting Cattle Pound charges and refunding Sale proceeds of Stray Cattle, on proofs of ownership being adduced by the parties. The increase is owing to the amount provided for rearing plants at the Town of Chitrunjadur, being raised from 150 to Rs 200 during the year under report.

Order thereon.

On a review of the Budget Estimates, submitted with the above, the Chief Commissioner observes that the Estimated income for the current year of all the Municipalities in the Kadur District, is Rs 17,103 and the opening cash balance on 31st March last, Rs 11,075, in all Rs 28,178, as shewn under.-

| | Estimated Receipts | Opening Cash balance |
|---|---|---|
| 1 Chikmagalur | Rs 11,455 | 7,245 |
| 2 Kadur. | " 646 | 90 |
| 3 Tarikere | " 2,242 | 1,200 |
| 4 Birur | " 1603 | 2,200 |
| 5. Banavar. | " 472 | 90 |
| 6. Yedehally | " 685 | 250 |
| Total | Rs 17,103 | 11,075 |
| | | 28,178. |

The Deputy Commissioner

In para 1 of the memo estimates the opening cash balance at Rs 11,482-10-6 whereas, according to the figures entered in the Budget & the Memo submitted by the Commr the balance appears to be only Rs 11,075. The difference, Rs 407-10-6 requires explanation.

3. It is satisfactory to note that the income anticipated under "Octroi" is more than that of last year, the increase in the towns of Chickmagalur and Yedehalli alone being Rs 610 and Rs 120 respectively.

4. In the Yedehalli Municipality, the Octroi is levied on the following items:-

(1) Articles of food &c.
(2) Drugs, gums, Spices &c.
(3) Tobacco.
(4) Cloths.

Under (1), no estimate is entered for the current year, although

of the 1st 6 months of 1877-78 amounted to Rs 264-2-2 & Rs 216-5-8 respectively. Under items (2) & (3) the Estimate for the current year only are given, but not the actuals of previous years.

"School Fees" 5 The income from School Fees" in the Chikmagalur Municipality is Estimated at Rs 500; but as the actuals of 1876-77 and of the 1st 6 months of 1877-78, amounted to Rs 1,209-12-0 & Rs 1,036-15-9 respectively, the Estimate for the current year may be raised to Rs 900.

Expenditure. 6 The Expenditure of all the Municipalities in this District is Estimated at Rs 24,298, as shewn under:-

| | | |
|---|---|---|
| 1 Chikmagalur | Rs | 17,092. |
| 2 Kadur. | " | 728 |
| 3. Tarikeri. | " | 2,752 |
| 4. Birur. | " | 2,274 |
| 5 Banavar | " | 532 |
| 6 Yedehelly | " | 920 |
| Total | Rs | 24,298. |

This head shows a decrease of Rs 36, as compared with that of the previous year, owing to the reduction of the Salaries of the Mutsuddies at Banavar & Kadur from Rs 8/2 & 7/2 to Rs 6/2 each per mensem. No provision, however, has been made for the additional Establishment required for the collection of Octroi duties; and the Supplemental Budget promised by the deputy Comm.r should be Submitted at an early date.

8. Under this head a Sum of Rs 48 has been erroneously entered twice on account of the Municipal Establishments and Contingencies of the Kurpur Sudder, whereas the contribution of Rs 48, order in this Office no 2774/Jul 241 of the 10th November last, was in lieu of the Same amount hitherto paid

and

thereto.
provision of Rs 48 will be struck out and the total charges under "Head Office" will, as in last year, be shewn at Rs 330 per annum.

Public Works.

9. The outlay proposed to be incurred on account of "Original Works" in all the Municipalities is Rs 7,794. But to prevent the previous years' cash balances being exhausted the Chief Commr directs that the appropriation on account of the "Construction of new Market stalls at Chikmagalur" be limited, for the current year, to Rs 1500 and that the two following works be postponed for the present
(1) Construction of C. Drains in the Fort at Chikmagalur Rs 1,500
2. digging trench & fencing around an area for laundry stands at Tarikere. Rs 450

10 The q^s of Gratuity to Municipal Clerk, Mc Meonisaunay Bellay, recommended by the deputy Commissioner having been refused in this Office No. 606-7 dated 29th May 1878, the provision of Rs 240, Entered in the Budget on this account will be struck out.

Sir,

In reply to Commr's No. 184 dated the 10th ultimo, I have the honor with reference to paras 2 and 4 of the Chief Commissioner's Proceedings No 659-660/60 dated the 4th ultimo, adverted to in the above, to explain as follows.

Para 2. The difference of Rupees 407-10-6 between the opening cash balance in the Memorandum & that shewn in Budget is owing to Rs 7,245 having been through an oversight put down as opening cash balance for Chik instead of Rs 7,652-10-6. The figures have been accordingly corrected in the office copy of the Budget, it is requested similar corrections may be made in the four submitted

Para 4. The reason for no probable octroi collected on articles of consumption

for no actuals of previous years been

the same was omitted in the Estimates submitted

3. With reference to para 9 of the above proceedings reducing the allotment for building new market stalls at Chikamagalore from Rs 3,000 to Rs 1,500 with the view that the previous year's cash balance may not be exhausted, the Board beg to point out the necessity of completing these stalls at once and to resubmit the resolution for consideration. The balance available being Rs 8,617-9-5, it will not be seriously exhausted by sanctioning at once the whole sum required for this building which be so reproductive that it is calcul the rent of these stalls will repay the original outlay in about 6 years. The stalls are much required. Merchants in the Town are willing to occupy them as soon as they are be. On account of the severe climate

Chitkan agency it must prove a loss
to prolong their constructions from year
to year. The progress of the buildings
will be retarded by repairs at the end
of each year and it will necessarily
cost more; whereas by completing
it at once the work can be completed
in one season and an immediate
return secured. Early sanction
of the Chief Commissioner upon a
reconsideration is therefore solicited,
as ample funds are available and
the rate payers naturally wish that
they should not be allowed to lie
idle but be expended in useful and
remunerative works.

No. 340/32

Deputy Commissioner's Office
Kadur District, Chikmagalur
16th July 1878

To
The Commissioner
Nagar Division

Sir,

In ref. to your letter No 253 dated

10th Instant, I have the honor to report that the following arrangements have been made for the collection of Octroi by Amani Levies 15½ April 1878.

To

1. In the Chittoor Municipality the amount is collected by the Sayer Officials at the Khusba, and under the supervision of the Vakmoolendy in addition to his legitimate duty with aid of two additional Peons on Rs 6, who were entertained in anticipation of sanction to the supplemental Budget statements submitted with my letter No 448/8 dated 24th May last.

2. In the Municipalities of Kadur, Beeroor, Gadahalli and Tarikere the duty is being levied by the Municipal Mutsuddies in conjunction with Sayer Officials.

Dated 9th August

No 344.

Approves of the arrangement set forth in his letter No. 340/32 dated the 26th ultimo, for the collection of octroi through Government Agency, but observes that as sanction to the supplement Budget provision for two peons in the Chuttiwaga ward Municipality has been deferred by the Chief Commissioner pending further orders, the retention of their services without special sanction is objectionable.

As the Sayer and Octroi establishment as per margin is available at Chuttiwagalur, enquires whether the services of the two extra peons above referred to may be dispensed with.

2. Peons.

To

The Commissioner of the
Nagar Division

Sir,

With reference to your Docket
No. 346 dated 9th August last I
have the honor to state that the services
of the two Peons whose appointment
was pointed out to be objectionable,
have been dispensed with since the
7th September 1878. The Sayer and
Monopoly establishment is engaged
chiefly in the Sayer Butte in its legiti-
mate duties, those Officials cannot
be expected to patrol the various
roads leading into the town to de-
tect Smuggling. The Amildar
of Chuttrapatur urges that if
sanction is not accorded to enter-
tain the two peons (grounded

for in the Supplemental Budget, there will be considerable loss in the Octroi Revenue and I apprehend such will be the case.

2. The Assistant of Sarihere points out that the Octroi Collection of that town for the months of April, May, June and July last by the Sayer Officials amounted only to Rs. 137-10-2 against Rs. 216-10-8 for the corresponding months in 1877-78, during which the collections were in the hands of Contractors, who took care to prevent the evasion of the duty. He recommends the appointment of 1 Inspector on Rs. 7 and 3 Peons on Rs. 4 each, but I consider the Establishment provided for in the Supplemental Budget sufficient —

3. The President of the Kadur and Birur Municipalities also urges the need felt for the additional

funds provided in the Budget. I therefore solicit the favor of your obtaining the sanction of the Chief Commissioner to the Budget as early as possible —

I have &c
